"Welcome to 2012! Glad to see you made it...**As Dave Barry said**, "You can only be young once. But you can always be immature."
Yes, January is a month I set serious discussions aside and work instead on attitude adjustment. The holidays are over, bills are arriving, the desk needs cleaning and worse yet, the weather allows no excuse for leaving up the outdoor decorations... **He also said**, "Your hand and your mouth agreed many years ago that, as far as chocolate is concerned, there is no need to involve your brain." So go on and finish off any leftover Xmas candy. Nobody's looking...**Of course, if you** do need help getting the tree recycled, or hauling branches or leaves the chinooks brought down, I'd be happy to help...**A Pole, a German, an Englishman, a Scot, an Irishman, a Dane, a Norwegian, a Swede, a Frenchman, a Spaniard, and an Italian** walk into a bar. Bouncer says, "Sorry, I can't let you in without a Thai"... **Looking for some sound** investment advice? From **Will Rogers**: "When you buy stock, hold it till it goes up, then sell it. If it don't go up, don't buy it"... **A grasshopper walks** into a bar. The bartender says "Hey, we have a drink named after you." The grasshopper says "Really? You have a drink named Bob?"... **Sven was going for** his morning walk one day when he passed Ole's house. He saw a sign that said "Boat For Sale." This confused Sven because he knew Ole didn't own a boat, so he decided to go ask about it. "Hey Ole, I noticed da sign in your yard dat says 'Boat For Sale,' but ya don't even have a boat. All ya have is your old John Deere tractor and combine." Ole replied, "Yup, and they're boat for sale".
Traveling Salesman: My car broke down.

Can I stay the night? Farmer: Sure, but it's a small place. You'll have to sleep with my son. Salesman: Excuse me, I think I'm in the wrong joke...**The President** visits an assisted living facility. He goes up to a little old lady sitting in her wheelchair near the entrance, gives her a nice smile, and asks "Do you know who I am?" "No," she said, "but if you ask that cute girl at the front desk, she'll tell you."... **Did you hear about** the guy who got fired from the orange juice factory? That's right, he couldn't concentrate... **Last month's answer was** Bill Murray. Those who answered will get credit.. **A big chess tournament** was taking place at the hotel. After the first day, several players were sitting around the foyer bragging about their matches. After a while, the desk clerk walked over and told them to clear out. When asked why the clerk scowled and said, "I'm sorry, but if there's one thing I can't stand, it's chess nuts boasting in an open foyer."... **The quote on the bottom** involved an unfortunate brain freeze by a GOP candidate, the name of whom will get you into this month's drawing... **Not sure it's related**, but this Groucho line came to mind: "You've got the brain of a four year old boy, and I'll bet he was glad to get rid of it"... **A newly married man** asked his wife, "Would you have married me if my father hadn't left me a fortune?" "Honey," the woman replied, "I'd have married you, no matter who left you a fortune... **People are saying December 21** will be the end of the world because the 5,125 year Mayan calendar will reset on that date. But I wonder, did anyone consider the possibility that they simply couldn't count any higher... **Th-th-th-th-thats all folks!**

"It's three government agencies when I get there that are gone: Commerce, Education and the um, what's the third one there. Let's see... Oops."
